Sniper eludes capture in L. A.

LOS ANGELES — (UPI) — A sniper fired two shots at a parked ool yesterday morning, then dashed out of sight after the shots were fired.

A spectator said deputy sheriff, stationed in the area, heard the shots and ran towards the scene, but the gunman escaped.

Part of the evidence recovered from the area included a snarled wire fence, which deputies believe was used by the sniper as a means of escape.

The incident is under investigation, and police are looking for witnesses who may have seen the shooting.
